BOARD MEMBERS

"Hey, who are these people?" They make up our Board of Education. This board really keeps things hopping around the Phoenix Union High School and Phoenix College district. Through their combined efforts, this district supports one of the most impressive school systems in the nation. We sure are fortunate to have capable people to cope with the everyday problems of running these schools.

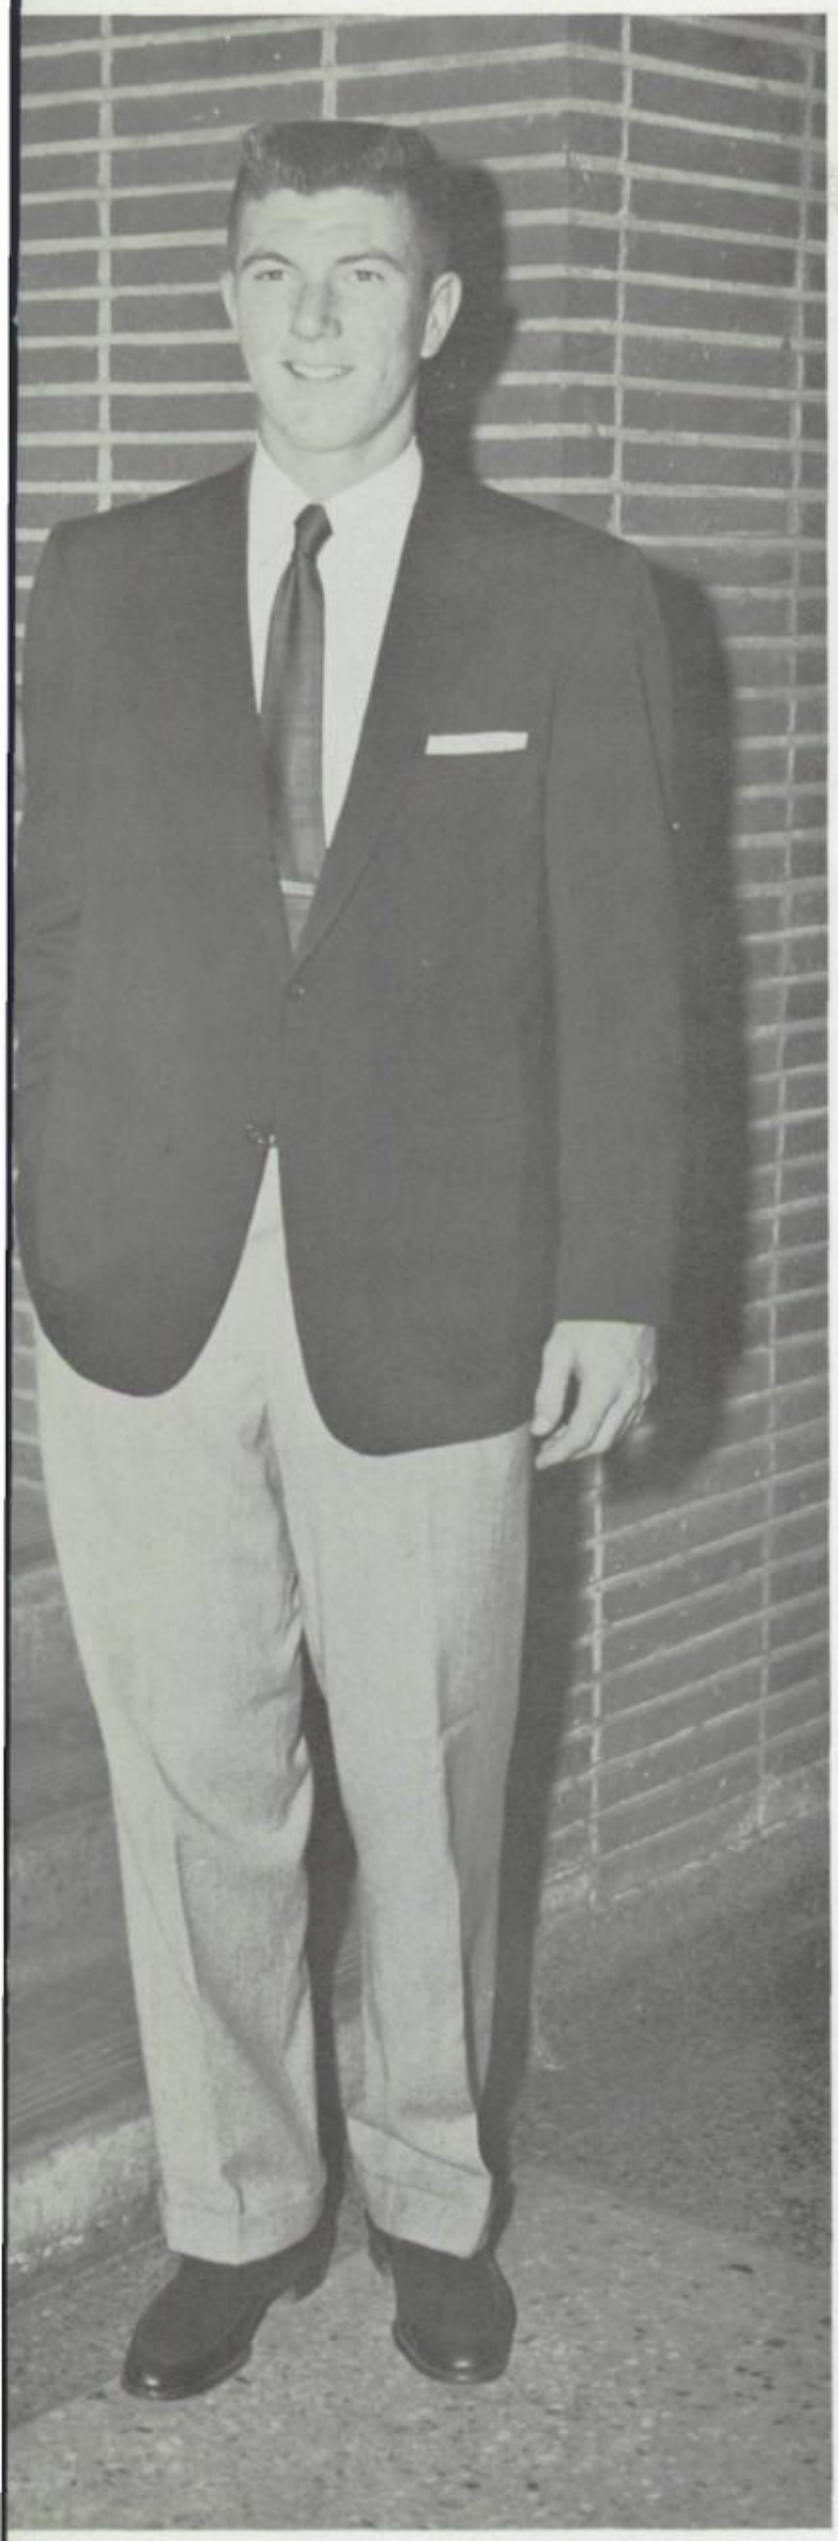
GOVERNMENT



Bottom: Betty King, treasurer; Mickie McGuire, vice president. Top: Cindy Armer, girls' secretary; Ken Chaite, boys' secretary.

The general purpose of student government is to afford opportunities for leadership and provide student participation in the carrying out of school activities. Student Council provides a go-between for the student body and student government. This is accomplished by the election of homeroom representatives to the council.

Jim Jones
President

STUDENT BODY OFFICERS

The guidance board is concerned with student discipline at West and is composed of Junior and Senior Representatives elected by the student body. It functions effectively under the supervision of faculty sponsor, Milton Jones.

Guidance Board Members: Susan Mason, Kent Dana, Paul Landers, Carol Osman, Polly Alexander, Renz Jennings, Roxy Voss, and Hugh Gallagher.

GUIDANCE BOARD

Gee, I wonder what she has done this time? It must have been a felony to receive such serious looks.

Girls' League Officers: Ruth Ann Morse, secretary; Linda Shefler, president; Beth Early, vice president; and Bev Bergeron, treasurer.

The purpose of Girls' League is to promote a democratic spirit and closer relationships between all girls at West. This year's projects have been centered around raising funds for the American Field Service exchange program and the Loop, working at Gompers Clinic and Golden Gate Settlement. Each year they sponsor a Girls' League formal in the spring besides sponsoring other various projects.

GIRLS' LEAGUE

Pictured below are some of the prize winning costume displayed at the Puff and Pant Prom, which is held fo the Girls' League Class Councils. They all look a littl ridiculous, don't they?

Boys' League Officers: Charles "Boots" Bergstrom, president; Al Larriva, secretary-treasurer; Jonnie Walker, vice president.

As usual, the girls do all the work! Here we find two girls helping the boys with the decorations for the Boys' League Formal "Desert Starlight" which was held Saturday, December 20, 1958.

Boys' League includes every boy enrolled at West High. It brings them together in a closer relationship, and it gives each boy a chance to take part in school activities. Each year Boys' League presents the Jim Edwards Memorial Award to the outstanding Senior football player. They also sponsor an annual winter formal dance to raise funds for various projects.

"Hey, what's the scene?" "It's pictures of the Junior Class officers who, along with the Class Council, helped make activities like the Basket Brawl and Junior-Senior Prom such a big success. Class Council sold maroon and white pom pons to help finance that fabulous Prom. Of course, the planning and work aren't over. The Class of '60 still has another year to go, the biggest year of all."

ORCHESTRA

Our West High Orchestra digs the swingin' beats of Beethoven and Schubert as directed by outstanding orchestra leader Beryl Folks. Some of their activities this year included a trip to California and an annual concert along with an assembly that featured each section of the Orchestra and introduced us to the various types of music.

Many hard hours of practice and rehearsal go into each performance given by our orchestra.

DEDICATED TO ALL STUDENTS OF JOURNALISM AT WEST

I AM THE PRINTING PRESS

By Robert H. Davis

I am the printing press, born of the Mother Earth. My heart is of steel, my limbs are of iron, and my fingers are of brass.

I sing the songs of the world, the oratorios of history, the symphonies of all time.

I am the voice of today, the herald of tomorrow. I weave into the warp of the past, the word of the future. I tell the stories of peace and of war alike.

I make the human heart beat with passion of tenderness. I stir the pulse of nations, and make brave men do braver deeds, and soldiers die.

I inspire the midnight toiler, weary at his loom, to lift his head again and gaze, with fearlessness, into the vast beyond, seeking the consolation of a hope eternal.

When I speak a myriad people listen to my voice. The Anglo-Saxon, the Celt, the Hun, the Slav, the Hindu, all comprehend me.

I am the tireless charion of the news. I cry your joys and sorrows every hour. I fill the dullard's mind with thought uplifting. I am light, knowledge, and power. I epitomize the conquest of mind over matter.

I am the record of all things mankind has achieved. My offspring comes to you in the candle's glow, amid the dim lamps of poverty, the splendor of riches; at sunrise, at high noon, and in the waning evening.

I am the laughter and tears of the world, and I shall never die until all things return to the immutable dust.

I am the printing press.

FREE ENTERPRISE

MEANS BETTER TIMES

The job you'll have—the place you'll work—the tools you'll use, are all the result of free enterprise at work. Free enterprise means continuing progress through keen competition. It means a better life; a more challenging future for you.

Business managed companies like Arizona Public Service are proud to be a part of this system; proud to take part in local activities; to pay their fair share of taxes; and to provide good service at a fair price. This is free enterprise at work—working for your future.

EDITOR'S SIGNOFF

As the school year of 1959 drew to a close, pastedown pages, copy sheets, and rubber cement were thrown in every possible direction, in a rush to get the annual completed. It's hard to imagine the hours of work that are put into a school yearbook. When it's all over, there isn't anyone as glad to see the finished product as your annual staff.

Many thanks need to be given to:

Dixon Fish, our talented art editor, who spent many hours doing layout and pastedown.

Regina Johnson for her terrific typing, and Paula Moran for writing our copy.

Mary Ann Tilton, who did a great job on sports. Judy Lucas for Administration and Honors and Awards, Judy Furey for doing many hard jobs, like alphabetizing.

Mr. Conrad Naegle, Judy Palmer, Jackie Jacquays, and the hard-working ad staff.

Janet Easterly, Norma Iles, Sandi Reynolds, and Shirley Harrah for doing a splendid job.

All the photographers for those fabulous photos! Dan Bohlmann, Dick Groseclose, Helen Hightower, and Sandra Biggins, our negative filer.

Mrs. Bette Miller and Mr. Troy Fincher for their assistance, and Updike Studios for the uniform job they did on our class pictures.

Mr. Stone, faculty, administration, and the student body for their complete cooperation.

Desert Lithograph Company, Killgore Typesetting Company, and Library Bindery for their consideration during some pretty trying times.

Sheryl Smith and the AV technical crew for the script and recording. Mr. Day for technical assistance in the recording.

A special thanks needs to be given to our patient sponsor, Mr. Richard Zimmerman.

Most of all I would like to thank the entire annual staff and our sponsor for putting up with my harping!

At last you have received your annual, I hope you like it!

Your Editor,

Doni Billie
